Fun With a Purpose

The Boys & Girls Club of Truckee Meadows Serving White Pine County is part of the leading non-profit youth organization in northern Nevada, the Boys & Girls Club of Truckee Meadows (BGCTM). By partnering with the Boys & Girls Club, you are helping us achieve our mission of serving the youth in our community who need us most.

A vital resource we use to attract youth ages 6-18 to our Club is the promise of fun and creative programming throughout the year. As you will notice, the events in this booklet are centered around creating a fun experience for Club members. But at the Boys & Girls Club, our fun comes with strategic and intentional programming. As youth participate in these events, they are learning life skills, building character, developing leadership skills and growing into our community's future leaders. This kind of impactful programming has made the Club what it is today and is only possible with help from our community partners. While partnering with the Boys & Girls Club undoubtedly helps the youth in the community thrive, it can also help you. By partnering with us to reach our mission, we can bring your business more exposure in the community and help you enhance your company's status through our respected voice.

An added benefit of a Boys & Girls Club partnership is providing your staff/team with the chance to volunteer. Research has proven that employees who engage in volunteer efforts with one another can show an increase in productivity, improvement in perspective, and exhibit more ethical behavior. Plus, it's fun!

The events in this booklet all have the potential to provide marketing for your brand, exposure to a large audience and a unique opportunity to build trust between your brand and our community. All while simultaneously supporting kids in the White Pine County area.

Great Futures Start Here, because of sponsors like you.

In addition to the various brand opportunities which are associated with each event, partnering with the Boys & Girls Club of Truckee Meadows Serving White Pine County will provide exposure through the following vehicles of communication:

- Exposure to our loyal email subscribers
- Presence as a community partner on the Club website (www.bgctm.org), newsletters and other marketing collateral
- Social media support
- Promotions at various sites around the Ely area
- Engagement opportunities with all Club members and their families
- Visibility as a partner of a highly respected organization serving northern Nevada for 40+ years
