

Let's make stuff! The Craft Creators camp will build your crafting skills through a variety of creative projects. Not only will you harness your creativity, but you'll leave with crafts, made by you, that you can take home and put to good use. If you like working with your hands and learning new skills, Craft Creators is the camp for you.

July 21-25 • 9am-12pm • Age 8-12 • \$120
