**FOR IMMEDIATE RELEASE**

**Annual Boys & Girls Club Golf Tournament Brings Community Together to Support Local Youth**

**Reno, Nev. — August 11, 2025** The Boys & Girls Club of Truckee Meadows (BGCTM) teed up another record-breaking year at its 2025 Annual Charity Golf Tournament, presented by Microsoft Reno, Pacific Office Automation, and Jensen Electric. With 288 golfers hitting the greens at Red Hawk Golf & Resort’s Hills and Lakes courses, the event raised money to support local youth programs.

From the lively Welcome Party to the final putt, players enjoyed a day of friendly competition, on-course activities, and community camaraderie—all in support of the Club’s mission to help kids and teens reach their full potential as productive, caring, responsible citizens. The event has become a summer tradition and is one of just three major fundraisers the Club hosts each year—critical to sustaining programs and services for thousands of kids and teens.

“This event is more than just a great day of golf,” said Mike Wurm, President & CEO of BGCTM. “Every dollar raised helps us provide safe spaces, life-changing programs, and mentorship that truly make a difference in the lives of young people in our community.”

The tournament featured exciting hole contests, cruising bar carts, and plenty of on-course fun, ensuring the day was as memorable as it was meaningful.

BGCTM extends its gratitude to all golfers, volunteers, and sponsors for making this year’s tournament a success. Special thanks to presenting sponsors Microsoft Reno, Pacific Office

Automation, and Jensen Electric, as well as supporting sponsors American Wealth Management, Mountain Mike's Pizza, Granite Construction, Infosys, Champion Chevrolet, Bill Pearce Motors, Silver Legacy Resort Casino, Aspen Earthworks, Boomtown Casino Hotel, Metcalf Builders, Eide Bailly, Qualus, Western Nevada Materials, Hometown Health, uNITE Sleep Institute, and Spanish Springs Construction.

Proceeds from the event directly benefit BGCTM programs and services, which serve thousands of children and teens annually throughout northern Nevada.
