Who We Are

The Club at DWR is personal. It means something different to every teen. For some, it is a safe place to be and a warm meal. For others, it is homework help, or access to a computer. The Club can help you earn community volunteer hours, or take the first steps towards applying for college. Join, and we will help you research financial aid and scholarship opportunities.

What We Do

- Stay Active with Sports and Fitness
- Explore The Arts
- Learn New Technology & Computer Software
- Make Music & Dance
- Play Pool, Foosball & More Rec Games
