Mandatory Health Policy for All Players and Coaches

The safety and well-being of the players and coaches who comprise the Reno Ballers program is of utmost concern and of the highest priority. During these trying times, when parents must make tough choices on where their children visit and attend, it is incumbent upon the Boys & Girls Club of Truckee Meadows and the staff of the Reno Ballers to do our best to provide the safest environment possible.

With this in mind, all parents must submit this signed document outlining the safety expectations for all those who enter our facility. BGCTM does this daily with all those who enter our facility, including staff, members, and guests. Please carefully read the questions below, share this with your player(s), and then submit to your coach or Reno Ballers Administrator Steve George.

I realize that safety is a responsibility I owe to my teammates and coaches. To meet this responsibility, I promise to be as safe as possible in terms of avoiding possible situations where contamination may occur, and to inform my coach and/or the Reno Ballers Administrator should I, any of my family members, or any other persons with whom I have contact exhibit any of the symptoms of COVID-19, are sick, are being tested for COVID-19, or have tested positive for COVID-19.

Before any practice, meeting, or possible games, I agree that I must be able to answer the following questions:

1. I do not share a household with a confirmed COVID-19 patient, or someone who is in testing protocol or sick.
2. To the best of my knowledge, I have not been exposed to a confirmed COVID-19 patient, or someone who is being tested or is sick.
3. I do not have any of the symptoms associated with COVID-19 (constant cough, shortness of breath, sore throat, high temperature, loss of taste or smell).

I understand and accept that if I am found to be in violation of this policy, I may be removed from the Reno Ballers program for a period of time, up to and including permanently.
