We will not collect payments for leagues unless we are able to provide a consistent schedule of practices and games. Team formation will be on Sept. 12 at 10AM, at 2680 East 9th St. Reno, NV

If the current health situation remains as is, we will allow only a limited number of players per team, a limited number of players on the practice field, and only provide a practice/skill learning environment without games; all the while following our strict guidelines for disinfecting and cleaning we have safely incorporated since March. No uniform jersey will be provided in this scenario. If the COVID-19 Climate improves, or a vaccine is found, we would run the league as normal and collect registration fees- $40 for BGCTM members and $60 for non-members
